HOT CROSS BUN MACARON

An annual Marché favourite, this macaron is only available at Easter! Warmly spiced and rich with brown sugar, our hot cross bun macaron tastes perfectly festive. Topped with a white chocolate cross, these look as beautiful as they taste.

BUNNY TAIL BERRY MARSHMALLOW MACARON - DAIRY FREE

Pink and fluffy just like the Easter Bunny's tail, this macaron is full of berry marshmallow! As a special request from the Easter Bunny, this macaron is dairy free too so it is perfect for those in our Marché family who are lactose intolerant! Splashed in gold, it really is magical!

DOUBLE CARAMEL MACARON

Delicious salted caramel ganache surrounds a sticky center of sweet dulce de leche. Presented in a vibrant blue shell flecked with gold, this macaron is a caramel lovers dream!

HOPPIN' POPPIN' BUNNY MACARON

If you're tired of gifting the same hollow chocolate easter bunny, try these delicious treats! Our bunny shaped macarons are filled with delicious chocolate ganache and popping candy before being completely dipped in chocolate. With a heart nose, these macarons are almost too cute to eat!

CARROT CAKE MACARON

The easter bunny has a secret... her favourite treat isn't carrots... it's carrot cake! This year the Easter Bunny helped us create the perfect Easter macaron full of carrot and the warm spice that you find in your favourite carrot cake! Shaped as a carrot with the green top and all, this macaron is the only treat the Easter Bunny will be looking for this year!

SPECKLED HENS EGG MACARON

We made these last year and they flew out the door faster than we could make (lay?) them! You will question whether you're eating a macaron or a real egg when you bite into this... that is, until you taste how delicious it is! The outside of this off-white macaron is speckled with brown and yellow making it look just like a freshly laid hens egg! Inside you will find a creamy white ganache surrounding a creamy, zesty yolk of lemon!

TRADITIONAL HOT CROSS BUNS

Freshly baked, these beautifully soft, spiced golden buns are studded with citrus peel and raisins. Hot from the oven or toasted with a layer of butter so thick you can see your teeth marks, these are the perfect Easter treat. Best eaten fresh the day of purchase or toasted the next day!

CHOCOLATE CHIP HOT CROSS BUNS

We get it, not everyone loves fruit in their hot cross buns... or they just want an excuse to eat more chocolate! Either way, we have you sorted. Chunks of chocolate fill these spiced buns making a very yummy, very indulgent treat! Best eaten fresh the day of purchase or toasted the next day!

ROCKY ROAD EGGS

Our rocky road is a favourite with young and old alike and what better time of year to indulge in a little extra chocolate? Our eggs are packed full of soft marshmallow, sweet candy, salty roasted peanuts, golden honeycomb and creamy chocolate. Share with loved ones... or hide it away and keep it all to yourself!

FUDGEY BROWNIE CHOCOLATE CHEESECAKE (8 INCH)

The more chocolate the better at Easter, right? We have replaced the standard biscuit base in this cheesecake with our famously rich, dark and decadent fudgey chocolate brownie. We create a cheesecake filling using dark chocolate, dark Dutch cocoa and a touch of freshly brewed espresso to create a cheesecake that is smooth, rich, dark and absolutely addictive. Perfect for your Easter celebrations, this cheesecake will feed up to 12 people!

FLOWER POT FRUIT CAKE

Full of glacéed fruit and nuts, we soak our fruit cakes with generous amounts of rum and sherry. The result is the most moist and delicious cake that is perfect for any festive occasion. We bake our fruit and nut filled cake in terracotta pots to create a perfectly moist cake that makes a wonderful gift! No need to wrap this gift, it comes wrapped beautifully for you!
