You know it is Christmas when you smell fresh gingerbread baking in the oven! The heady spice and treacly sweetness of gingerbread is perfectly replicated in this beautifully flavoured macaron.

This macaron will make you feel like you are sitting around the Christmas table eating a fruit-studded, brandy soaked flambéed pudding... plus caramel!

## *Puddings, Cakes, Tarts*

### CHRISTMAS FRUIT CAKE

A Christmas staple in every home, this Christmas cake is full of love from our family to yours. Heavy with our specially selected mix of glacéed fruit and nuts, we soak our Christmas cakes with generous amounts of rum and sherry. The result is the most moist and delicious cake that even Mrs. Clause couldn't beat. Different sizes and decoration options available, please see the order sheet.

### FLOWER POT CAKES

A variation on the traditional Christmas cake, we bake our fruit and nut filled cake in terracotta pots to create a perfectly moist cake that makes a wonderful gift!

### PLUM PUDDING

Make sure you leave room for dessert because this 2.5L plum pudding is the only way to end your Christmas meal. It is just like the pudding your Great Grandmother used to make... but without the fuss! Wrapped in white cheesecloth, these puddings are a beautiful gift as well!

### PANFORTE

By far one of our favourite and most popular Christmas treats. This super dense and sticky cake of honeyed fruit and nuts is full of Christmas spice and freshly cracked black pepper. It is the perfect accompaniment to a strong coffee or glass of good shiraz! Different sizes available, please see the order sheet.

### FRUIT MINCE TARTS

Christmas wouldn't be Christmas without fruit mince tarts! A family favourite of ours, this is Trish's grandmothers recipe and we haven't changed it one bit; crisp buttery pastry filled with brandy soaked fruit!

## *Savoury Treats & Sauces*

### PEPPER & CHEESE BISCUITS

Perfect accompaniment to a soft brie, quince and olive tapenade. These crisp breads make any cheese board that little bit more special.

### SPICED MACADAMIAS

Since it's too hot to roast chestnuts on a open fire, you will love our maple spiced mixed nuts. The perfect mix of sweet stickiness and savoury spice, these macadamias are the perfect Christmas treat to have with drinks or as a pre-feast snack.

### SPICED PICKLED PEARS

As beautiful as they are delicious, these delicately spiced pears are the perfect accompaniment to any roast meat. The sharpness of the vinegar soaked pears cuts through the richness of a Christmas roast proving the perfectly spiced cold accompaniment to your meal.

### MARCHÉ CHUTNEY

A year long favourite, this chutney is served in store with our bread and butter puddings but is best at Christmas time served with cold cuts of ham and cheeses.

### SALTED CARAMEL SAUCE

The caramel from our most popular macaron is bottled just for you. Perfect over ice cream, cakes, on apple slices... or try it our favourite way, eaten by itself by the spoonful. Don't expect anyone to share this!
